Dr. Joshua Lederberg,
Department of Genetics,
Univ. of Wisconsin,
Madison, Wisconsin.

Dear sir:

Would you be so kind as to send me a culture
of the following organisms. I am interested in try-
ing some genetic studies, about which I shall write
you later.

E. coli, strain K-12

E. coli, strain B

E. coli, strain B/r

Thanking you in advance, I am

Yours truly,

Clarence L.E. Monroe
Dept. of Biology,
Morgan State College,
Baltimore, 12 Md.
